ANNUAL GIVING CAMPAIGN

One community, family and vision.

For 19 years, Northeast Iowa Montessori has been serving children as an independent school, diversifying the educational choices of our vibrant community.

Many families choose NEIM for the Montessori curriculum, mixed-age classrooms, individualized attention, and after school childcare program.

We strive to create a peaceful environment for nurturing resilient explorers, confident learners, and empathetic citizens.

AT A GLANCE

2004 Year Founded

650+ Students Guided

200+ Families Welcomed

New beginnings. New heights.

As this year comes to an end, we are preparing for a lot of new beginnings. For nineteen years Northeast Iowa Montessori has been inspiring youth 3-12 years of age. In order to continue serving the families and students of our community, we look forward to **moving into a larger building, as well as pursuing formal Montessori accreditation.**

On behalf of everyone here at Northeast Iowa Montessori, thank you for being a part of our story and our family.

Ways your gift will help...

Update our new building

Our new campus offers handicapped accessible features and more than double the indoor/ outdoor space. This inspiring new learning environment is being updated with all the required safety features and appropriately sized utilities for small children.

(\$20,000)

Install a fire safety system

Ensuring a safe environment is of the highest priority. We are securing a fire alarm system complete with voice command and 24/7 monitoring.

(\$27,000)

Build a fence for our playground

Creating an outdoor classroom requires a safe and secure space. A new fence allows for independence of movement within confident boundaries.

(\$5,000)

Achieve Montessori accreditation

Academic accreditation is a lengthy and rigorous process. This not only elevates our educational status, it also expands our eligibility for grants along with adding opportunities for local and state funding.

(\$3,000)
